I.4) Type of the contracting authority

Body governed by public law

I.5) Main activity

Public order and safety

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

ECFRS00318 End Of Life Vehicles

Reference number

ECFRS00318

II.1.2) Main CPV code

- 34000000 - Transport equipment and auxiliary products to transportation

II.1.3) Type of contract

Supplies

II.1.4) Short description

The supply of de-polluted end of life vehicles to Essex County Fire and Rescue Service for the practice of rescue techniques following road traffic collisions. Delivery of the vehicles will be to designated sites on a call off basis, and collection of the vehicles, as required, after training is completed. Due to the nature of the training and the equipment used, vehicles will be subject to large scale disassembly, with roofs, windscreens, glass and doors removed as minimum standard. This will materially affect the resale value of components spare parts. It should be assumed that the value of the returned vehicle will not be anything beyond basic scrap. The procurement has been split into 7 Lots based on geographic areas. Estimated totals have been used for values, there is no guarantee of orders.

II.1.5) Estimated total value

Value excluding VAT: £300,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

II.2) Description

II.2.1) Title

ECFRS00318 End Of Life Vehicles

Lot No

Lot 1:Wethersfield Training Centre:

II.2.2) Additional CPV code(s)

- 34900000 - Miscellaneous transport equipment and spare parts

II.2.3) Place of performance

NUTS codes

- UKH3 - Essex

Main site or place of performance

Essex

II.2.4) Description of the procurement

The supply of de-polluted end of life vehicles to Essex County Fire and Rescue Service for the practice of rescue techniques following road traffic collisions. Delivery of the vehicles will be to designated sites on a call off basis, and collection of the vehicles, as required, after training is completed. Due to the nature of the training and the equipment used, vehicles will be subject to large scale disassembly, with roofs, windscreens, glass and doors removed as minimum standard. This will materially affect the resale value of components spare parts. It should be assumed that the value of the returned vehicle will not be anything beyond basic scrap.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £150,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

24

This contract is subject to renewal

Yes

Description of renewals

The initial contract period will be for 2 years following a mobilisation period and has the option to extend by 1 x 12 month periods.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

1:00pm

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

This contract Notice is for the same tender as the Competitive Contract Notice - Procurement Reference on the Contracts Finder notice: BIP877902356, published previously on Contracts finder following a Prior Information Notice and Pre-market engagement event. The contracting authority considers that this contract may be suitable for economic operators that are small or medium enterprises (SMEs). However, any selection of tenderers will be based solely on the criteria set out for the procurement.

.Tender responses must be submitted by the date and time specified in section IV.2.2. The Authority reserves the right not to accept requests to participate that are received after the deadline. Tenderers are encouraged to submit their submissions well in advance of the stated date and time in order to avoid issues such as technical difficulties with the electronic system that may be due to the high volumes of traffic attempting to submit applications on the same date at the same time.
