Body governed by public law

I.5) Main activity

Education

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

ITAM

Reference number

CU.1650.TH

II.1.2) Main CPV code

- 48000000 - Software package and information systems

II.1.3) Type of contract

Supplies

II.1.4) Short description

Cardiff University is seeking to procure an IT Asset Management (ITAM) toolset to enable effective IT asset monitoring and management. This will ensure that we are making best use of our assets throughout their lifecycle. The information that the toolset will return will also be used as an information source for securing assets. It is anticipated that there will be a financial and environmental sustainability benefit through re-use and re-deployment of IT assets, achieved via an ITAM toolset that enables lifecycle management of hardware and software assets. The bidder shall provide a toolset that is delivered as Software as a Service (SaaS).

II.1.5) Estimated total value

Value excluding VAT: £200,000

II.1.6) Information about lots

This contract is divided into lots: No

II.2) Description

II.2.2) Additional CPV code(s)

- 48000000 - Software package and information systems

- 48100000 - Industry specific software package
- 48430000 - Inventory management software package
- 48517000 - IT software package

II.2.3) Place of performance

NUTS codes

- UKL22 - Cardiff and Vale of Glamorgan

II.2.4) Description of the procurement

Cardiff University is seeking to procure an IT Asset Management (ITAM) toolset to enable effective IT asset monitoring and management. This will ensure that we are making best use of our assets throughout their lifecycle. The information that the toolset will return will also be used as an information source for securing assets. It is anticipated that there will be a financial and environmental sustainability benefit through re-use and re-deployment of IT assets, achieved via an ITAM toolset that enables lifecycle management of hardware and software assets. The bidder shall provide a toolset that is delivered as Software as a Service (SaaS).

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

36

This contract is subject to renewal

Yes

Description of renewals

Optional Twelve month extension

II.2.10) Information about variants

Variants will be accepted: No

Date

27 August 2024

Local time

12:00pm

Place

Online

Information about authorised persons and opening procedure

Electronic Tenders will be opened by Anthony Hale

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: Yes

Estimated timing for further notices to be published: 2027/2028 Depending on whether extension option is exercised

VI.2) Information about electronic workflows

Electronic ordering will be used

Electronic invoicing will be accepted

Electronic payment will be used

VI.3) Additional information

Under the terms of this contract the successful supplier(s) will be required to deliver Community Benefits in support of the authority's economic and social objectives. Accordingly, contract performance conditions may relate in particular to social and environmental considerations. The Community Benefits included in this contract are:

Cardiff University has an environmental management system which is certified to ISO 14001. It also commits to achieve Scope 3 carbon net zero by, or preferably before, 2050.

The tenderer should supply evidence that they have an independently audited, organisation-wide environmental management system certified to ISO 14001 or EMAS that includes energy management.

(WA Ref:143318)
