Welsh Government Commercial Delivery does not guarantee that a call for competition will definitely take place as a result of this Prior Information Notice.

The commitment to deliver 'social value' outcomes from our procurement activity is designed to ensure that wider social and economic issues are taken into account, when spending public money in line with The Well-being of Future Generation (Wales) Act 2015. With the intention to achieve the very best value for money and improving the social, economic, environmental and cultural well-being of Wales.

Market Engagement:

Welsh Government Commercial Delivery will engage with suppliers to establish the most appropriate commercial models and contracting terms to deliver best value.

In order to do this, market engagement and consultation will take place via a supplier workshop to be held in Wales. You should record your interest in the Notice via the 'Further Information' tab, 'Additional Notice Options'. Please advise your language preference (Welsh or English) for any correspondence or materials provided at the workshop. By recording your interest you will be automatically sent information including invites to Supplier Days, clarifications and deadline date changes etc.

Please note that recording your interest does not automatically enter you into the tender process for this notice.

Full details, including how to formally register and express an interest in tendering will be included in the FTS Notice.

Welsh Government Commercial Delivery may change both the scope and the structure of this framework procurement as a result of market and customer engagement.
