Framework Agreement for Graphic Production and Installation for National Museums Liverpool

**II.1.2) Main CPV code**

- 34928470 - Signage

**II.1.3) Type of contract**

Supplies

**II.1.4) Short description**

National Museums Liverpool (NML) is inviting tenders from suitably qualified and

experienced contractors to enter into a multi-provider framework agreement to undertake Graphic Production and Installation across our exhibition galleries and venues.

NML typically produce 18-22 Exhibitions and Displays across its 7 venues per year with at least 5 of those being considering large-scale. We also have several permanent galleries which require maintaining to a high level. We would be expecting contractors to be producing graphics such as large-scale printed wallpaper, graphic panels on substrates, printed vinyl, foam labels, recyclable/sustainable signage, and screen printing to name a few. The requirements of each call-off contract will contain varying scope depending on the design and exhibition venue.

Appointed contractor(s) awarded 'call-off' contracts' from this framework agreement will work collaboratively with NML's internal design team to develop a graphic production approach in line with project milestones, timescales and exhibition programmes.

Subject to this framework agreement being extended to its potential maximum term, the maximum total value of all contracts awarded is estimated to be at up to £250,000 GBP excluding VAT, (or up to £300,000 GBP including VAT).

To access the procurement documents, please visit <https://in-tendhost.co.uk/nationalmuseumliverpool> to register. Once registered and logged in, tenderers will be able to participate in this opportunity, download, complete and upload their submissions to the procurement documents by the closing date and time for return of submissions.

#### **II.1.6) Information about lots**

This contract is divided into lots: No

#### **II.1.7) Total value of the procurement (excluding VAT)**

Value excluding VAT: £250,000

### **II.2) Description**
