II.2.4) Description of the procurement

This procurement competition is for the provision of technical and financial auditing and monitoring services, and the provision of technical and business advice relating to the management and maintenance of the Scottish trunk road network. Interested parties should note that a Preliminary Information document has been uploaded to 'Additional Documents'. This document provides additional information regarding the service to be delivered and the procurement process. The information contained in the document is preliminary and will be supplemented with further information at tender stage.

The initial contract term is 6 years with options to extend by up to a further 4 years. The estimated value of the contract over 10 years including such extensions is 40,000,000 GBP.

To be considered for this contract economic operators are required to complete the European Single Procurement Document (ESPD) in accordance with this Contract Notice. Economic operators shall be evaluated in accordance with the Public Contracts (Scotland) Regulations 2015, on the basis of information they have provided within the ESPD. The ESPD can be downloaded via the Public Contracts Scotland portal (www.publiccontractsscotland.gov.uk).

No warranty or representation of any kind is given as to the accuracy or completeness of such information. The Scottish Ministers, Transport Scotland and their advisers shall not be liable for any errors or omissions or lack of specificity in such information. Any reliance on or use of any information contained within the document is entirely at the risk of the economic operator.
