II.1.4) Short description

United Learning intends to undertake a procurement process for a Management Information System for the academies within their Trust. United Learning is the largest group of schools in the country, and as such requires an MIS provider who can provide a high-quality product and service to a large Multi-Academy Trust and its continued growth. United Learning requires a fully cloud-based solution that enables the delivery of their transformation roadmap and system strategy.

The maximum contract term will be 7 years. This includes the initial contract term and the option to extend.

United Learning Trust will be conducting this process via Jaggaer. Suppliers will need to ensure that they have up to date logins via <https://education.app.jaggaer.com/web/login.html>. The Jaggaer project reference is project_9322. Once you have registered interest you will be able to access the information in relation to the Pre-Market Engagement sessions. Attendance at these individual sessions or return of the document is not mandatory for progression through this procurement process.

Please note that the DfE's Get help buying for schools service is assisting United Learning with the publishing of the associated contract notices and procurement documentation. As a result in the e-sourcing system Jaggaer this project will show via

DfE's published opportunities.
