Section VI. Complementary information

VI.3) Additional information

Contract monitoring: the successful contractor's performance on the contract will be regularly.. monitored. Contractors not delivering on contract requirements is a serious matter. It means the public purse is not getting what it is.. paying for. If a contractor fails to reach satisfactory levels of contract performance they will be given a specified. time to improve. If after.. the specified time they still fail to reach satisfactory levels of contract performance the matter will be escalated to senior management in.. Construction and Procurement Delivery(CPD) for further action. If this occurs and their performance still does not improve to satisfactory.. levels within the specified period, it may be regarded as an act of grave professional misconduct and they may be issued with a certificate.. of unsatisfactory performance and the contract may be terminated. The issue of a certificate of unsatisfactory performance will result in.. the contractor being excluded from all procurement competitions being undertaken by centres of procurement expertise on behalf of.. bodies covered by the Northern Ireland Procurement Policy for a period of twelve months from the date of issue of the certificate.

VI.4) Procedures for review

VI.4.1) Review body

The UK does not have any such bodies with responsibility for review/appeal or mediation procedures.

Belfast

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

CPD complied with the Public Contracts Regulations 2015 and, where.. appropriate, incorporated a standstill period (i.e. a minimum of 10 calendar days) at the point information was communicated to.. tenderers. That notification provided full information on the award decision. This provided time for the unsuccessful tenderers to.. challenge the award decision before the contract was entered into.
