II.2.4) Description of the procurement

The University of Southampton is seeking to appoint a managed service provider to provide leased WAN (wide area network) circuits between University campuses and remote sites.

The managed service provider will be responsible for the provision, installation, support and management of the University's WAN circuits.

Connections to the JANET network are not in scope for this procurement.

The purpose of this PIN notice is to conduct a Soft Market Testing Exercise to allow interested organisations with appropriate experience to outline their views and provide impartial information to the University with no commitment to themselves or the University.

Further information on the University's approach to Soft Market Testing can be found by accessing the Soft Market Testing Exercise documents hosted on the University's e-Tendering software (In-Tend) at the address below:

<https://in-tendhost.co.uk/universityofsouthampton.aspx/Home>

II.2.14) Additional information

The University is utilising an electronic tendering tool (In-Tend: <https://in-tendhost.co.uk/universityofsouthampton>) to manage this Soft Market Testing Exercise and to communicate with participating organisations.

All documentation in relation to this Soft Market Testing Exercise can be downloaded from In-Tend.

Participating organisations are advised that there will be no hard copy document issued to organisations and all communications with the University including the submission of Soft Market Testing Questionnaires will be conducted via In-Tend. Regular monitoring of In-Tend is the responsibility of the participating organisation.

If you are not already registered as a supplier with the University of Southampton, you will need to register in In-Tend in order to access the soft market testing documentation.

Once you have logged in: click on 'Tenders'; locate the relevant project; and click 'View Details'. Once you are in the project screen, you will be able to register your company against the project and access all documentation by clicking 'Express Interest'.
