London Borough of Barking and Dagenham (LBBD) are inviting bids to provide a service that meets LBBD's current needs for an Unattended CCTV Parking, Bus Lane, and Moving Traffic Enforcement Solution. LBBD requires a modern digital CCTV system that can cover all its present and future needs, such that the system is fully future proofed. In addition, LBBD does not want to be locked into any proprietary equipment and therefore is

fully committed to acquiring systems which use open standards and equipment, to allow LBBD to seamlessly upgrade to new cameras as they become available in the marketplace. LBBD seeks to enhance the current digital enforcement solutions including attended CCTV Capture, unattended Bus Lane, Parking, and moving Traffic enforcement interface with a mobile enforcement vehicle, Evidence review Suite including hosted server, interface to all major notice processing systems and online video viewing platform and maintenance of equipment. For all enforcement activity the solution provider will be responsible for setting up the required link with any current or new Notice Processing System to enable PCNs to be created and to provide the facility for the exemption of permitted vehicles.

The agreement will be awarded for a period of 5 years + 2 Year optional extension period
