II.1.4) Short description

Payroll sits within the Employment Services Division of NWSSP and is responsible for managing Payroll on behalf of all Health Boards & Trusts within NHS Wales for 125,000 employees. Therefore, Payroll is a critical service for the NHS, ensuring that Health Professionals are paid on time within a demanding Health Care Sector.

The service uses the ESR Payroll system but currently manages changes to the payroll via macro enabled spreadsheets that have been in place for several years. Since the introduction of Microsoft 365 into the organisation, this system has not been as effective as before. Consequently, the Project Team would like to explore alternative options in the marketplace to develop the service over the next five years by taking advantage of new software & technological advancements.
