## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Project Management, Quantity Surveying & Procurement Services in relation to the Criterion Quay Flow Development

#### **II.1.2) Main CPV code**

- 72224000 - Project management consultancy services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

The Port of Milford Haven is seeking to appoint a single organisation to provide Project Management, Quantity Surveying and Specialist Procurement Support Services in relation to the work packages outlined in the tender.

The consultant will be required to provide management resources for all activities including the tendering and assessment of the work packages, NEC3 management of the package contracts up to and including the completion of the physical works including the retention period.

In addition, they will be required to provide quantity surveying and cost control services to ensure close control of time and cost is achieved.

Furthermore they will coordinate all work packages to ensure smooth progress and a collaborative working environment.
