VII.2) Other additional information

NHS Bristol, North Somerset, and South Gloucestershire ICB was looking to procure the APMS contract (for 15 years) for GP services to a combined registered list of 15,453 patients. The current APMS contracts for Graham Road Surgery and Horizon Health Centre are due to expire 31st May 2025. The contract provides universal primary medical services to the served patient population. Following a comprehensive evaluation of all submitted proposals, it was determined that none adequately met the necessary criteria. This procurement has therefore been abandoned, and a new procurement will be run in due course. This determination has been made in line with Regulation 15 of the Health Care Services (Provider Selection Regime) Regulations 2023. This exercise was being carried out by NHS South, Central and West Commissioning Support Unit (SCW) on behalf of the Commissioner
