II.1.1) Title

Wavemakers International Competition

II.1.2) Main CPV code

- 65100000 - Water distribution and related services

II.1.3) Type of contract

Services

II.1.4) Short description

Severn Trent understands that in order to meet the requirement of Zero Spills in a practical and achievable way, that a combination of technologies and techniques are needed to establish a viable solution.

At the request for proposal stage suppliers will be required to submit proposals in line with the one or all of the four categories outlined below.

- Support optimisation - particularly (but not limited to) AI and Smart Control across both the waste network and waste treatment
- Enable separation - through but not limited to rainwater harvesting, separation of surface water and reuse options.
- Provide treatment enhancement or upstream/network treatment
- Create smart storage solutions and including temporary and intelligent sewer flushing solutions

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots
