II.1.4) Short description

Yorkshire Water Services Limited (YWS) is the 9th largest Water Utility in the world with a turnover of more than £950 million. YWS is one of the largest companies in the region directly employing 3000 employees as well as indirectly employing many more through its contractors and support organisations. YWS provides water and wastewater services to 5.2 million customers and receives up to 2 million calls from customers each year. YWS is regulated by the Office of Water Services (OFWAT); the Drinking Water Inspectorate (DWI); the Environment Agency (EA); Department for Environment, Food and Rural Affairs (DEFRA) and the Health & Safety Executive (HSE).

This notice is seeking expressions of interest for the establishment of a Framework Agreement for Pan-network Distribution Monitoring Devices (including but not limited to pressure and flow loggers, transient pressure loggers, PRV controllers, acoustic loggers, wastewater loggers and other types of data loggers) and associated services (including but not limited to installation, maintenance and other associated services) used on the water network.

This framework agreement will potentially entail a combination of the provision, installation, maintenance and other additional services across the range of data loggers to provide YWS consistent monitoring of their water networks.

Any estimated quantities or values contained or referred to in this or other documentation are for guidance only and do not bind YWS to buy any specific quantities should the Bidder be successful and enter into an Agreement.
