### **II.2.4) Description of the procurement**

Lot 1 will be utilised for the procurement and development of housing-led sites. This will include all activities necessary to construct housing and associated facilities and infrastructure (e.g. commercial and employment spaces) and ensure the long-term effective housing and estate management of these sites.

The Framework will be led by Enfield Council (“The Authority”) and will be made available to the 32 London Boroughs and the City of London (“Authorised Users”).

Specific requirements for works procured under this Lot will be set-out in the call-off

documents but are likely to include (but not be limited to) the following:

- Securing grant funding and raising of development finance
- Obtaining planning permission
- Supply chain management
- Design and construction of housing
- Design and construction of facilities and infrastructure to support housing
- Aftercare and effective management of housing stock.

Development works procured through the Framework will be subject to terms further specified in a separate contract that will be defined as part of the call off process. It is anticipated that the form of contract to be used for individual sites or opportunities will be one of:

- Development Agreement, or
- Forward Fund Sales Agreement.

(Please note that Enfield reserves the right to use a range of contracts where necessary and this will be determined at the call off stage).

LB Enfield is following a two-stage Restricted procurement procedure under the Public Contracts Regulations 2015 in order to procure the new 3-Lot Framework. Under the first stage of the process, bidders are required to complete a Selection Questionnaire and its associated appendices and submit it via the London Tenders Portal in line with the timetable provided on the portal and in the documents. Following evaluation of submitted SQs, LB Enfield anticipates shortlisting a maximum of 10 providers to be Invited to Tender for Lot 1. Following evaluation of received Tenders under the second stage of the process, LB Enfield anticipates awarding places on Lot 1 the Framework to a maximum of 8 providers.

Full details of all requirements and instructions are provided in the procurement and Tender documents on the London Tenders Portal.

1. The Council or an Authorised User may invite, in writing, a Framework Provider to enter into a Call-Off Contract without any further competition between the Framework Providers (“Direct Selection”) where:

1. the Call-Off Contract relates to Lot 1 and the gross development value of the project is estimated by the Council or the Authorised User to be £30million or less;

---

## **Section IV. Procedure**

### **IV.1) Description**

#### **IV.1.1) Type of procedure**

Restricted procedure

#### **IV.1.3) Information about a framework agreement or a dynamic purchasing system**

The procurement involves the establishment of a framework agreement

Framework agreement with several operators

Envisaged maximum number of participants to the framework agreement: 20

In the case of framework agreements, provide justification for any duration exceeding 4 years:

The duration of the framework is 4 years with the option to extend for a further 2 years. In view of the optimum duration required to secure keen interest from a currently buoyant market; the critical nature of the works in respect of delivering the affordable housing by 2030; the timescales for expiry of other similar construction projects; the significant length of time it may require to develop, design and deliver some of the projects under the framework, the need to programme over a longer period in order to optimise delivery resources and do so over the post covid period, it is considered appropriate for LB Enfield to have the option to extend for up to a further 2 years beyond the initial 4 year limit

#### **IV.1.8) Information about the Government Procurement Agreement (GPA)**

The procurement is covered by the Government Procurement Agreement: Yes

## **Section VI. Complementary information**

### **VI.1) Information about recurrence**

This is a recurrent procurement: No

### **VI.3) Additional information**

The Contracting Authority is committed to maximising Social Value opportunities through the Framework and these requirements are set out in the procurement documents. The Contracting Authority will be developing a portfolio of properties that are outside the Borough. The Contracting Authority reserves the right to cancel the procurement and not to proceed with the Framework at any stage of the procurement process. The Contracting Authority also reserves the right not to award any or all of the Lots on the Framework. Neither the Contracting Authority nor any person on whose behalf of whom this procurement is undertaken is to be liable for any costs incurred by those expressing an interest or tendering for the Framework.
