Railway services

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

SR390 Station Security Software

II.1.2) Main CPV code

- 48000000 - Software package and information systems

II.1.3) Type of contract

Supplies

II.1.4) Short description

ScotRail invites prospective suppliers to participate in this procurement process to supply and support off the shelf security software for our stations. The supplier must be able to supply software currently available on the market and they currently have in place with customers with similar requirements to ScotRail. The software will support the delivery of security obligations across the ScotRail estate. The current security sweep requirements cover 11 railway stations and a total of 171 check points across the 11 locations; the service must be scalable to include additional business areas, check points and users as required. The service must be fully implemented and ready to go live from 1st April 2025. The full scope of the requirements is contained within the published project on our Wax Digital e-sourcing tool which can be accessed here <https://scotrail.wax-live.com/S2C/DisplayModules/TradeModules/Negotiations/Opportunities/ListEvents.aspx>
