## Section IV. Procedure

### IV.1) Description

#### IV.1.1) Type of procedure

Award of a contract without prior publication of a call for competition in the cases listed below

- The services can be provided only by a particular economic operator for the following reason:
  - absence of competition for technical reasons

Explanation:

Secure Boarding of Dangerous/Seized dogs' suppliers are scarce and due to the very nature of the service require the kennels not offer dog boarding or associated services to the public nor publicise its location to the public.

On the 6th July 2021 a PIN notice was published that gave potential suppliers three weeks to express an interest. Three expressions of interest were received.

Previous data shows that the problematic areas are primarily Warwickshire's bigger towns such as Rugby and Nuneaton. With this in mind and to reduce unnecessary stress and travel time on the animal it is our preference if kennels be located within 1 hour travelling distance of these towns. Based on this requirement two out of the three expressions of interest were from suppliers who had well in excess of the 1 hr preferred. As a direct result it was determined that an open competition was not indicated and that the contract would be awarded via a direct award procedure following the Negotiated Procedure. The justification being that we have concluded there is only one suitable supplier who can cater to the requirement.
