Hertfordshire County Council (the "Council") is carrying out Pre-Procurement Market Engagement ("PPME") for the provision of Support Accommodation for Adults Experiencing Homelessness and Multiple Disadvantage. The Council is seeking input from the market as to what might be the most attractive way of packaging and scoping any future opportunity for contracts. This input will help inform any resultant procurement process. The Council will consider the feedback received to help inform the Council's options and further decision making. For the avoidance of doubt, this stage of the project is not part of a formal procurement process, and the Council is not committing, at this stage, to carrying out such a process. Participation or non-participation in the PPME shall not prevent any supplier participating in a potential future procurement, nor is it intended that any information supplied as part of the PPME shall place any supplier at an advantage in a potential procurement process. Participation in the PPME will be at each organisation's own cost. No expense in responding to this PPME will be reimbursed by the Council. Further information can be found within the attached documentation. You are invited to submit a completed questionnaire by 12 noon on 8th September 2023.
