II.2.4) Description of the procurement

Whatever the size of a business, Meet the Buyer North events are useful to attend when considering bidding for future contracting opportunities, as they are specifically designed to help suppliers with the tendering process. Meet the Buyer events can help suppliers understand what the buyers are looking for, introduce them to innovative goods, works and services, and can give suppliers insight on how bids are and will be evaluated from a procurement perspective. Meet the Buyer events also offer the opportunity to engage with business support initiatives, such as the Supplier Development Programme, local authority economic development representatives and Business Gateway representatives.

Business will be able to meet procurement teams from local councils, alongside other public and private sector buying organisations, private contractors and business support organisations that are all based in the North of Scotland. Visit <https://www.sdpscotland.co.uk/events-mtbn-2024/> to see a full list of exhibitors.

There will also be a main agenda, where attendees can hear from a range of expert speakers and participate in live Q&A sessions.
