II.1.4) Short description

The Science and Technology Facilities Council (STFC), a component Research Council of UK Research and Innovation (UKRI), is a world-leading multi-disciplinary science organisation, whose goal is to deliver economic, societal, scientific and international benefits to the UK and its people — and more broadly to the world.

STFC (UKRI) have a requirement for a fit-out in an existing building shell where strip-out

of the previous occupant's equipment has been completed, and asbestos has been removed.

The requirement involves:

- the installation of air handling and air conditioning;
- All new power and data;
- New suspended ceilings;
- Redecoration throughout;
- New vinyl flooring;
- Partition walling.

Full technical details can be found within the tender documentation.

All work must be complete by the 25th February 2022.
