II.2.4) Description of the procurement

Historic Environment Scotland (HES) has a requirement for a modern, functionally rich and adaptable ticketing system to take our visitor business to the next level. HES has a varied estate of sites, each with their own slightly different requirements; some are predominantly pre-booked, while many rely on walk-up ticketing. HES also sells afternoon teas, events tickets and multi-site passes. A new ticketing system must provide a first-class seamless process for online ticket transactions, along with intuitive point of sale and back-office processes that enables first class customer service and booking management.

The following headline areas are within the scope of this ticketing system tender.

- Online ticketing
- Walk-up ticketing
- Ticket collection kiosks
- Travel Trade booking management
- Explorer Passes
- Education bookings
- Admissions Gift Aid Management
- Membership
- Integration to Microsoft Dynamics 365, our primary membership & CRM System
- Access control for ticket validation

- Payment gateway integrations
- Interface (file export) to Oracle Fusion
- Reporting

Further information can be found in the document attached with this notice.

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

List and brief description of selection criteria

HES use Scotbis, an independent provider of business credit reports, to assess the financial standing of tenderers. The overall aim of this assessment is to ensure, as far as possible, that any potential Supplier will not have financial difficulties that endanger their ability to perform the Contract. If financial information cannot be gained from that source Historic Environment Scotland will request that you provide full audited accounts for the last full financial year. If Suppliers cannot provide any of the assurances as detailed above, and it is determined by HES that your financial strength is not adequate, then your company may not pass the financial evaluation. If you can provide the assurances as detailed above, HES may explore these options with you before determining whether your company can be taken forward in this procurement exercise. Bank details may also be sought to support the above.
