---

**Section II: Object****II.1) Scope of the procurement****II.1.1) Title**

Technology Enabled Smart Medication Device and Support Service

### **II.1.2) Main CPV code**

- 85000000 - Health and social work services

### **II.1.3) Type of contract**

Services

### **II.1.4) Short description**

The Lancashire and South Cumbria ICB, Digitising Social Care Team invite qualified and experienced providers to submit tenders for a new technology-enabled smart medication device and support service. This NHSE/DHSC funded project aims to explore the potential of smart medication devices to help people in receipt of domiciliary care, manage their prescription medication schedules, symptoms, and changes.

Key Details:

- The provider is required to supply, fill, monitor and respond to technology-enabled smart medication devices for 1,800 people living in their own homes, over a 14-month period.
- The provider is expected to develop effective protocols and procedures.
- The provider is required to contribute and support a comprehensive evaluation which is being undertaken by the University of Lancaster.

Interested providers should review the detailed service specification document for further information. The document outlines all requirements, quality standards, and evaluation criteria.

The opportunity is available on SAP Ariba Ref: DOC2098200469
