Section VII. Changes

VII.1) Information to be changed or added

VII.2) Other additional information

Turnover Requirement - 2

Further to the communication on the 23rd Aug 2022 relating to question 4B 'Economic & Financial Standing, the College had reviewed the turnover requirements and made the decision to reduce the minimum yearly turnover from 4million GBP to 3million GBP.

The College has decided to reduce this turnover level further to take the pandemic into account. The mandatory turnover levels shall therefore be reduced from 3million GBP to 2million GBP, for increased bidder involvement and fair participation. Annual accounts for the last three years demonstrating these turnover levels should be provided as part of your response to this question.

Due to the nature of these services, total potential contract value of over 3million GBP and the risk associated with delivery of this contract, the College will not be in a position to reduce this figure any further.

The Contract Notice shall be updated by close of business today (25th Aug 2022)
