II.2.4) Description of the procurement

The Royal Borough of Kingston is seeking bids for the provision of efficient and effective waste collection and recycling services and street cleansing services from April 2025.

The contract will include the following services:

? Collection of Household residual waste, food waste and dry recycling, garden waste and bulky waste

? Commercial waste and recycling Collection/Disposal

? Winter Gritting

? Street Cleansing services

? Communications and related customer services

? Container deliveries and maintenance

It is our intention to discuss during dialogue solutions across the scope of the service requirements to identify efficiencies, service improvement opportunities, waste reduction and increased recycling that could be included in the final service delivery plans.

The proposed duration of the contract will be an initial term of eight (8) years

with the option to extend the contract for up to a maximum of eight (8) years.

The turnover requirement for this contract is £16,000,000 (being two times the annual contract value). Applicants must also meet certain financial ratios, which are set out in more

detail in the guidance for completion of the Selection Questionnaire.

It is our intention to run the procurement using the Competitive Dialogue process in line with Regulation 30 Public Contract Regulations 2015. Variants will not be accepted.

The procurement documents are available for unrestricted and full direct access, free of charge at <https://procontract.due-north.com/>
