Description

PLEASE NOTE THAT THIS TENDER CAN BE FOUND AT www.londontenders.org

NOTE: This opportunity is being retendered due to an issue with the award criteria as set out in this notice. The tender will be undertaken for a further 25 days in line with the PA23 requirements.

The Council as part of the project to move the Bromley Central Library, is seeking suitably qualified Bidders to package, remove and store the various items with the current Bromley Central Library building, as well as a satellite archive store. This approach is to be undertaken in phases as set out within the Specification document, which also includes the relevant standards that Bidders are required to meet.

NOTE: The Council noted some issues regarding the award criteria surrounding the Place

of Deposit requirements. The Council has taken the decision to re-publish this tender in full. Previous notice identifier: 2025/S 000-016891

The requirements of this tender have been amended to:

Bidders will need to confirm they meet the following BSI standards and that their facilities have been inspected and approved by The National Archives as being secure and safe from risks posed by fire, flood and poor environmental conditions in line with these standards.

- BS EN 16893:2018 - Conservation of Cultural Heritage
- BS 4971:2017 - Conservation and care of archive and library collections
- BS EN 16648:2015 - Conservation of cultural heritage - transport methods

The Supplier should clearly explain where they will store the Archive and Museum collections - providing full details of the location and facilities. Where the Supplier proposes to split the Archive and Museum over multiple sites or move it between sites, they must ensure all sites are compliant with the specification and standards outlined above.

The supplier must also include evidence that they have a FORS certificate as proof that they use FORS-accredited vehicles equipped with on-board cameras and Geotab tracking systems compliant with these standards.

Description of risks to contract performance

This project has had a number of technical delays, which may impact on the programme length and requirement in an unknown and currently unspecified manner. Further amendments to this project may require further modifications to the tender scope or requirements, currently unknown and unspecified.

Part of the project is dependent on Planning permission being granted for a new Archive, and for this to be constructed.

Other unforeseen risks may evolve relating the the transfer of items to storage, from storage and to the new library site, with other non-specific associated unknown risks.
