Contract locations

- UKF24 - West Northamptonshire

Engagement

Engagement deadline

6 June 2025

Engagement process description

West Northamptonshire Council is seeking the views of Registered Providers (RPs) in alignment with this upcoming procurement exercise.

Registered Providers are asked to respond to the following questions:

- 1) Is working with tenants in drug and alcohol recovery part of your organisation's strategy? What's your existing offer and what resources do you have available to support tenants in recovery?
- 2) What experience do you (RPs) have of working with drug and alcohol recovery support services (RSS) on housing support (either accommodation-based support or floating support) for adults in recovery?

- 3) If you work with RSS on floating support in dispersed accommodation attached to people in recovery, what tenure models do you use? (type of tenure, length of term and approach to managing tenancy breaches?)
- 4) Do you have experience of floating support offers where assured tenancies are associated with floating support from RSS, and if so how are challenges addressed in terms of aligning this offer with the wider housing register allocations?
- 5) If the person remains in occupation in the longer term, how does the RP replace units available for new entrants to the scheme. If the tenant chooses to leave, how does that unit go back into the pool used for this scheme?

Responses are to be sent to procurement@westnorthants.gov.uk with the email title Integrated Alcohol and Drugs RP alignment and marked FAO Kayley Lakin.

RP insight into this area will greatly assist in shaping our model going forward and WNC would like to thank providers in advance for assisting with this market engagement.

Please be aware that any response to market engagement does not guarantee any Provider any work with WNC.
