- UKH - East of England
- UKI - London
- UKJ - South East (England)
- UKK - South West (England)
- UKL - Wales

II.2.4) Description of the procurement

It is intended that Members will utilise Lot 3 where multiple services are required and where Members would like one Contractor to manage all their vacant property requirements under one contract for bringing a property back to lettable standards. Through this Lot EEM are trying to provide Members a full turnkey approach to their

vacant property management ensuring a smooth and efficient service to meet their individual turnaround times. Whilst this is the intention, there may be occasions when a Member wishes to call off one single service that is only covered by Lot 3. Contractors may be provided a "Letting Standard Policy" by members that they must adhere to.

- Initial Property Assessments
- Vacant Property Inspections, Inventory and Condition Reporting
- Repairs and Maintenance
- Upgrades and Improvements
- Electrics During Property Inspections
- Gas Plumbing
- Water System Drain Down
- Utility Turn Off and Reinstatement

II.3) Estimated date of publication of contract notice

27 August 2024

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

This is a prior information notice to notify interested organisations of an up and coming tender opportunity. There are no further details or documents available at the moment. The full details of the framework and the tender documents are estimated to be available around September 2024 on Delta portal.

Organisations who are interested in this opportunity will need to register for a supplier account with the Delta e-sourcing portal

<https://www.delta-esourcing.com/>

and email; tenders@eem.org.uk to confirm their interest and registration with the portal.

The value information contained within this notice is the provisional total framework value £105,000,000 and takes into consideration the full 4 year framework term, the lot structure, length of call off contracts and that the EEM membership may grow over the framework lifetime.

The details contained within this notice are provisional and are subject to change.
