II.2.4) Description of the procurement

The Ministry of Defence (MOD) requires a Civilian Aviation Authority Approved Training Organisation to deliver a live flying training module for up to 24 Intelligence Surveillance and Reconnaissance (ISR) students per Financial Year (FY) for three years with an optional fourth year. The requirement has an estimated start date of 04 Jan 22. To meet operational requirements, the Contractor will train students to use an Electro Optical/Infra-Red sensor in the airborne environment to achieve the training standard set by the MOD. The students should receive training in the use of the sensor, a modern mission system and perform the duties of a pilot's assistant in the cockpit environment. Students will have completed the following military training courses before arrival with the Contractor: Military Aviation Ground School and Mission Aircrew (MA) ISR Foundation Phase. Details of these courses will be provided.
