The procurement is related to a project and/or programme financed by European Union funds: No

II.2.14) Additional information

The Cyber Risk Profile for this requirement identified by the Cyber Risk Assessment is Very Low, (Reference – 397233948).

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure without publication of a contract notice

- The products involved are manufactured purely for the purpose of research, experiment, study or development
- The works, supplies or services can be provided only by a particular economic operator for the following reason:
 - absence of competition for technical reasons

Explanation:

The Turret Weapon Systems (TWS) team within the DE&S Vehicle Demonstration & Manufacture (VDM) Project Team, part of the UK Ministry of Defence (“MoD”), intends to award a Contract for 5 years at an approximate value of £1 million, to Leonardo UK Ltd to cover Post Design Services for the Enforcer Remote Weapon Stations (RWS) and Surveillance, Target Acquisition and Weapon Sight (STAWS) unit currently fitted to various Armoured Vehicle platforms. This Contract will replace the existing Enforcer RWS PDS Contract No. AVPISP/00104 with Leonardo MW Ltd which is due to expire on 31-Mar-22.

It is considered that this Contract can be placed using the Negotiated Procedure Without Prior Publication of a Contract Notice pursuant to Regulation 16(1)(a)(ii) of the UK Defence and Security Public Contracts Regulations 2011), for technical reasons.

This is because only Leonardo UK Ltd as the Original Equipment Manufacture and Design Authority has the specific know-how, technical knowledge and information, or means to carry out the required services. In addition, any modifications to the articles must be underwritten by the Design Authority to provide the MOD with the necessary assurance that the modifications will not compromise either operational effectiveness or safety. The proprietary technical knowledge, technical drawings and data packs are required to fulfil this requirement. Without access to this information, no other contractor would be able to fulfil this requirement to the safety and technical standards required. As this information is proprietary to Leonardo’s no other contractor would have access to it, and therefore no other contractor can fulfil this requirement.

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section V. Award of contract/concession

Contract No

701563379

Title

Provision of Post Design Support Services to Enforcer RWS
