The Service intended to be procured from the proposed contract are classified under Schedule 3 of the Public Contracts Regulations 2015 as “Provision of services to the community”. Therefore, the Service advertised in the contract notice fall among those listed in Annex XIV to Directive 2014/24/EU and the full obligations set out in that directive do not apply. For the avoidance of doubt, the contract is to be procured in accordance with the Public Contracts Regulations 2015 Regulations 74 to 78, more commonly known as the Light Touch Regime. The precise procurement process to be used is as described in the procurement documents.

The procurement ran as a one stage process, resembling the open procedure and its main features - which includes the core elements of the standard Selection Questionnaire (SQ). Any organisation that considered itself able to meet the requirements of the selection

criteria within the Qualification Envelope was invited to submit a tender.

The requirements of the Service were set out in the procurement documents, particularly the Service Specification - available from: <https://www.capitalesourcing.com>

Organisations should note that the total fixed budget for this Service was £450,000 and is based on a core budget of £300,000 GBP per annum.

The duration of the contract was one (1) year, with the option to extend for a further six (6) months. The Contract was intended to commence 1st October 2021 to 30th September 2022.

The estimated total value of the contract was also stated in II.1.5) and II.2.6) of the contract notice and is for the entire duration, i.e. including the optional extensions.

Organisations should be aware that due to the contract value (of the Service), any contract formed as a result of the procurement process would have been executed as a deed. Organisations were advised to seek independent legal advice on the implications of this prior to submitting their tender, where appropriate.
