#### **II.1.4) Short description**

Fusion21 is developing a DPS to complement their existing YIF Framework, for the provision of Construction Services to conduct a range of improvement, refurbishment and alterations of existing buildings.

The DPS will be primarily used where projects, due to their size, nature and/or location require a more dynamic solution. This DPS is designed and intended to provide flexibility for applicants to engage with local and regional SME supply chains to deliver projects, and to provide capacity for lower value projects. It is intended to complement the existing YIF framework and provide a compliant procurement route that can supplement and increase capacity within supply networks.
