II.1.4) Short description

North Ayrshire Council requires a Tier 1 contractor to develop the design proposals from the end of RIBA Stage 3 and to build the new Ardrossan Community Campus. The appointed contractor will be expected to take the design provided from the Lead Designer/Architect and their teams and develop it to deliver the new campus. The contractor will also need to undertake the demolition of the existing Ardrossan Academy and Winton Primary Schools.

The campus is to be a highly energy efficient building designed to meet Passivhaus certification standards and will be required to meet challenging in-use energy requirements. The design team already appointed by the Council will be novated to the appointed Tier 1 contractor to maintain the integrity of the design.

This is a large and complex building with a range of uses and the Tier 1 contractor will need to be able to demonstrate that they have successfully built 2 educational and/or community or health care facilities etc. (over 40 million GBP in value) within the last 5 years.

Contract duration is approx. 167 weeks with a start date of 15/04/22. The design and build of the Ardrossan Community Campus is expected to be complete at the latest by December 2024 with full occupation from January 2025.

This tender is using the Restricted Process. This is a two-stage procedure. The first stage

is a selection process where bidders capability, capacity and experience to perform the contract is assessed via the SPD. A shortlist of bidders will be identified from these responses.

The Invitation to Tender will be issued at the second stage. Only bidders who are shortlisted in stage one will be invited to submit a tender. These bids will be assessed to determine the most economically advantageous tender.

II.2.4) Description of the procurement

North Ayrshire Council requires a new 3-18 years educational and community campus to replace the existing Ardrossan Academy and Winton Primary School and has already appointed a project design team including architect and engineers to develop the design scheme to RIBA Stage 3.

North Ayrshire Council now requires a Tier 1 contractor to develop the design proposals from the end of RIBA Stage 3 and to build the new Ardrossan Community Campus. The appointed contractor will be expected to take the design provided from the Lead Designer/Architect and their teams and develop it to deliver the new campus. The contractor will also need to undertake the demolition of the existing Ardrossan Academy and Winton Primary Schools.

The campus is to be a highly energy efficient building designed to meet Passivhaus certification standards and will be required to meet challenging in-use energy requirements. The design team already appointed by the Council will be novated to the appointed Tier 1 contractor to maintain the integrity of the design.

This is a large and complex building with a range of uses and the Tier 1 contractor will need to be able to demonstrate that they have successfully built 2 educational and/or community or health care facilities etc. (over 40 million GBP in value) within the last 5 years.

Contract duration is approx. 167 weeks with a start date of 15/04/22. The design and build of the Ardrossan Community Campus is expected to be complete at the latest by December 2024 with full occupation from January 2025.

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers

List and brief description of conditions

If required, bidders are required to be enrolled in the relevant professional or trade registers within the country in which they are established.

III.1.2) Economic and financial standing

List and brief description of selection criteria

Bidders will be required to have a minimum yearly “specific” turnover of 35.5million GBP for the last 3 years in the business area covered by the contract. Bidders must provide their last 3 years turnover separately. ie. 20/21 XX million GBP, 19/20 XX million GBP, 18/19 XX million GBP.

North Ayrshire Council reserve the right to review the bidders financial information including information from credit reference agencies at tender stage and throughout the life of the contract, and seek clarifications if necessary. If clarifications are not satisfactory the bidder may be excluded from the tender process.

Bidders who cannot meet the required level of turnover will be excluded from this tender.

Where turnover information is not available for the time period requested, the bidder will be required to state the date which they were set up or started trading.

It is a requirement of this contract that bidders hold, or can commit to obtain prior to the commence of any subsequently awarded contract, the types and levels of insurance indicated below:

Employer’s (Compulsory) Liability Insurance = 10million GBP

III.1.3) Technical and professional ability

List and brief description of selection criteria

Bidders will be required to provide a minimum of 2 examples of works carried out in the past 5 years that demonstrates they have the relevant experience to deliver the work as described in part II.2.4 of the Contract Notice.

Both examples will be scored and will be used to restrict the number of candidates who will be invited to tender in stage 2 of the Restricted Procedure. (Each example will be scored out of 4 with a maximum score of 8 for both examples)

Examples must be of a similar scope, size, and value and be from within the last five years. The minimum project value NAC will accept as an example is 40 million GBP. Unsatisfactory experience will result in a fail and exclusion from the tender process. If you submit more than two examples, NAC will only evaluate the first two examples provided.

The information you provide should cover the following areas:

Essential:

- Experience of design and construction of ultra-low energy efficiency buildings which have been constructed in the UK providing details of the KWh/m²/annum rating the buildings have achieved in operation.
- Experience and evidence of delivery of low carbon through a range of technologies through the construction process.
- Experience of delivery of BIM Level 2 - 2D and 3D as built models.
- Experience of delivery of projects in a coastal location (within 5 miles of the coast).
- Demonstrates educational and community facilities experience preferably campus design and construction. One of the bidder's examples **MUST** be of an educational building construction. The other can be a community building / complex building / campus / university / office accommodation / hospital etc.
- Demonstrates Tier 1 contractor Design and Build experience.
- One of the bidder's examples needs to demonstrate build but one must be in design.

Desirable:

- Experience and evidence of delivery of Passivhaus certification (or equivalent) through the construction process but must be able to demonstrate in-use low energy standards
- Experience of design of projects on contaminated sites.

Unsatisfactory experience will result in exclusion from the tender process.

Bidders must also provide two satisfactory references for the same two contracts on the reference templates provided. References should be completed and signed by previous customers for contracts of a similar value, size and scope. If any of the referees score the bidder less than 2 the bidder will be excluded from the tender process.

Completed experience and reference templates must be zipped and uploaded at question 4C.1 of the qualification envelope.

Bidders will be required to demonstrate that they have (or have access to) the relevant tools, plant or technical equipment to deliver the types of requirements detailed in II.2.4 in the Contract Notice.

Bidders will be required to confirm whether they intend to subcontract and, if so, for what proportion of the contract.
