- 44613000 - Large containers

II.2.3) Place of performance

NUTS codes

- UKE13 - North and North East Lincolnshire

II.2.4) Description of the procurement

Associated British Ports (ABP) intend to procure a Contractor to deliver the design and construction of a grey cement silo import facility at the port of Immingham. The facility will be constructed on the basis of either two or three silos with capacity to accommodate 8-10,000 tonnes per silo. The annual guaranteed minimum volume will be 250,000 tonnes per annum. The target date for construction to commence is February 2023 with the facility becoming fully operational January 2024. The facilities shall be required to store a minimum of 16,000 tonnes of 'grey cement', with an estimated annual throughput of 250,000 -350,000 tonnes, which is likely to arrive in shipment sizes of c.15,000 tonnes. ABP intend to engage with the successful bidder under the NEC 4 ECC Option A form of contract with amendments which will include provisions for delay damages. The successful Contractor is required to take on full responsibility for the design in its entirety including the design provided by the Client. The Contractor is to complete the design and construction of the works. The successful Contractor is to undertake full responsibility for the role of Principal Contractor and Principal Designer for the delivery of the Contract. In accordance with the requirements of CDM 2015.

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Start date

17 February 2023

This contract is subject to renewal

No

II.2.10) Information about variants

Variants will be accepted: Yes

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.2) Economic and financial standing

Selection criteria as stated in the procurement documents

III.1.3) Technical and professional ability

Selection criteria as stated in the procurement documents

III.1.6) Deposits and guarantees required

Deposits and guarantees required, the utility may require a parent company/bank guarantee and/or performance bond (as appropriate) as a condition of any contract to be awarded

III.1.8) Legal form to be taken by the group of economic operators to whom the contract is to be awarded

Legal form to be taken by the group of economic operators to whom the contract is to be awarded. No specific legal form is required at this stage. However, the utility reserves the right to require the successful contractor to take a specific legal form and/or assume joint and several liability if bidding on a consortium/subcontracting basis. This will be subject to discussion during procurement.

Section IV. Procedure

IV.1) Description

IV.1.1) Type of procedure

Negotiated procedure with prior call for competition

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

IV.2) Administrative information

IV.2.2) Time limit for receipt of tenders or requests to participate

Date

21 September 2022

Local time

5:00pm

IV.2.4) Languages in which tenders or requests to participate may be submitted

English

Section VI. Complementary information

VI.1) Information about recurrence

This is a recurrent procurement: No

VI.4) Procedures for review

VI.4.1) Review body

High Court of Justice

Royal Courts of Justice, Strand Town

London

WC2A 2LL
