## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Water Hygiene Management Services

#### **II.1.2) Main CPV code**

- 90733400 - Surface water treatment services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

Housing 21 is a leading not for profit provider of Retirement Housing and Extra Care for older people of modest means. Housing 21 has over 450 courts and are legally committed to ensuring that resident's safety is achieved. Water hygiene services must be completed in line with industry standards and risks identified and resolved to ensure safety standards are achieved.

Housing 21 has requirements for two key water prevention methods including firstly; suppliers work towards achieving compliance with a monitoring programme of water checks to ensure water within the system is being stored appropriately to reduce risk of legionella and other water-based bacteria's cultivating. Secondly scheduled surveys of the water system to assess the risk of exposure to legionella bacteria. As part of the service a risk assessment engineer will inspect, assess, and certify the water system and provide a written report on condition and safety.

#### **II.1.5) Estimated total value**

Value excluding VAT: £4,500,000

#### **II.1.6) Information about lots**

This contract is divided into lots: Yes

Tenders may be submitted for all lots

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

Tenderers can submit bids for all three lots, but will only be awarded a maximum of two lots.
