- 48000000 - Software package and information systems

II.2.3) Place of performance

NUTS codes

- UKF - East Midlands (England)

II.2.4) Description of the procurement

EEM Partner, Meta Procurement Ltd is undertaking a compliant UK tender exercise under

the Open Procedure of the Public Contract Regulations (2015) to establish a national Framework Agreement for surveillance camera and video devices, associated software and ancillary products, services and solutions for a period of 4 years.

The contractors shall provide products and services which contracting bodies can access through the Framework Agreement. The provision of surveillance camera and video devices, associated software and ancillary products, services and solutions is an indicative outline of our requirements and not exhaustive of the provision of data and capability required.

The documents for this procurement process will be made available at the end of July on <https://www.mytenders.co.uk>

This is a prior information notice to notify interested organisations of an up and coming tender opportunity. There are no further details or documents available at the moment.

The tender documents containing all requirements for this framework are estimated to be available at the end of July via the mytenders portal.

Following an RFI process, it is possible that the procurement will be split into Lots, which are likely to be:

Lot 1 - Devices

Lot 2 - Software

Lot 3 - Services

If you would like further information or are interested in taking part in the RFI to help design the framework, please contact sandra@metaprocurement.org (tel: 07775 710343).

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

II.2.6) Estimated value

Value excluding VAT: £250,000,000

II.2.7) Duration of the contract, framework agreement or dynamic purchasing system

Duration in months

48

This contract is subject to renewal

Yes

Description of renewals

Option to extend by 12 months, giving one month notice.

II.2.10) Information about variants

Variants will be accepted: No

II.2.11) Information about options

Options: No

II.2.13) Information about European Union Funds

The procurement is related to a project and/or programme financed by European Union funds: No

Section III. Legal, economic, financial and technical information

III.1) Conditions for participation

III.1.1) Suitability to pursue the professional activity, including requirements relating to enrolment on professional or trade registers
