II.1.4) Short description

This is a premarket engagement not a call for competition.

LiveWest is about to tender its Grounds Maintenance services for the areas covering, Bristol, BANES, North Somerset and Somerset. It is an exciting opportunity to partner with one of the largest Social Housing Providers in the South West. Our Grounds Maintenance service offers a comprehensive maintenance programme for our estates across the region. LiveWest is looking for Grounds Maintenance providers who are forward looking, employ sector leading and innovative practices and are not afraid to be challenged. LiveWest's ground maintenance service is based around our "Total Site Care" requirement, which ensures that all sites are maintained to their specifications at all time.

In return, livewest offers an opportunity to work for a financially stable organisation and working around the principle of partnership building. Please come along to our event and find out more about Livewest and the contract we are offering.

We are seeking pre-market engagement prior to tendering a contract over a proposed 2 lots.

We invite contractors to engage with us regarding service offering and views on the best ways to tender and operate this opportunity before we will finalise our own specification and tender documents.

The event will be held on the 23rd August at 2pm via Microsoft teams meeting. Any contractor interested to engage and take part in the event, please express your interest and use the Q&A facility of the portal to provide us with contact details. LiveWest personnel will make contact with you.

This is a premarket engagement not a call for competition.
