Lanarkshire Health and Social Care Partnership (SLHSCP).

SLHSCP deliver adult social care services and all community health services for adults and children in the South Lanarkshire area. The

services will support individuals to live in their own homes and to play an active part in their communities as much as they are able.

The Self Directed Support (SDS) regulations offer Supported Persons a choice of provider to an extent not available through a Framework

Light Touch Rules contained in Regulation 74 - 76 of the Public Contracts (Scotland) Regulations 2015.

The PSA will allow providers to be added over its 15 year term, this will facilitate the Supported Person's choice.

Is the bidder's debt due to be repaid over a number of years, and affordable?

Have the bidder's results been adversely affected by "one off costs" and / or "one off accounting treatments"?

Do the bidder's auditors (where applicable) consider it to be a "going concern"?
