II.1.4) Short description

We are seeking to procure a range of high specification strength and conditioning equipment for a new gym for our performance athletes to train in to prepare themselves for the very highest level of national and international competitions. We wish to procure a range of gym equipment and the actual gym flooring along with tracks suitable for running/sprinting/sled. The tracks must be appropriate for athletes to train on in the required footwear. The procurement will be split into two lots, supply of the actual strength and conditioning equipment itself and the supply of the flooring and tracks. Potential bidders may apply for one lot or both.

II.2.4) Description of the procurement

Supply of a range of high specification gym equipment for elite performance athletes for whom strength and conditioning training is a key part of their support package. The range of equipment we require must be used at the highest levels of international and national competitions. It must either complement or directly match existing gym equipment which we have previously invested in. Where appropriate we have supplied the make/model of existing kit for information purposes. Bidders must either quote for the specific kit or a direct alternative. Delivery of the equipment is required for December 2023, though dependent on lead times we may consider a phased delivery to open with minimal viable products. We will work with the successful contractor to finalise this post-award. To note, the procurement is dependent on amending planning permission and if this is refused the gym equipment may not be required.
