II.1.4) Short description

This is a Prior Information Notice (PIN) to provide awareness of an upcoming framework tender for asset safety & compliance services.

This opportunity has been listed on behalf of LHC and our regional businesses:

Consortium Procurement Construction (CPC)

LHC London and South East (LSE)

Scottish Procurement Alliance (SPA)

South-West Procurement Alliance (SWPA)

Welsh Procurement Alliance (WPA)

LHC is currently planning a procurement of an asset safety and compliance framework which will encompass a range of services to ensure the safety of public sector buildings and the equipment within them. The exact scope of the framework may be subject to change following the pre-tender market engagement carried out by LHC but services that are currently envisaged to be included within this future framework are as follows:

- Asbestos Consultancy, Surveys and Removal

- Fire Safety Systems Servicing, Maintenance and Consultancy
- Vacant Property Protection and Associated Services
- Water Testing, Treatment and Management
- Gas Appliances and Equipment Servicing and Maintenance
- Passenger Lifts and Lifting Equipment Testing and Maintenance
- Lightning and Fall Protection Equipment Testing and Maintenance
- HVAC Equipment Servicing and Maintenance
- Electrical Safety Testing
- Radon Gas Testing and Remedial Services

The framework will seek to replace our existing Asbestos Services (AS2), Fire Safety (FS1) and Vacant Properties (V7) frameworks, whilst incorporating additional services.

LHC intend to carry out further engagement webinars with interested parties in due course to discuss our initial proposals, timescales for the tender and gain feedback before finalising the framework and issuing the tender.

To register an interest in the upcoming framework tender, and to receive further information on the webinar and how to book onto a session please express an interest in the project via our eTendering portal using the link as follows:
