Hackney and Newham

## **II.2.4) Description of the procurement**

The Service Provider will be responsible for the protection of all staff, visitors, contractors, flora, fauna and assets against attack, theft, damage, injury, corruption or non-availability whether by deliberate or accidental means, at all times, to support the continuity of safe and secure operations at the entire LLDC estate, including QEOP and the London Stadium.

The Service Provider will liaise with the relevant stakeholders to ensure an effective and consistent security service. The Service Provider will deploy a trained competent security presence and a CCTV monitoring service using the CCTV assets and systems located in the venues, public realm and the estate and using the relevant Security Control Suites. All staff operating CCTV shall have a current CCTV Operator licence.

The Service Provider shall provide competent and experienced personnel for roles (including but not limited to) Security Managers, Security Team Leaders, Security Officers, CCTV Operators and Car Park Operators. Personnel will carry out the following duties (including but not limited to):

- Access control and accreditation checking; controlling entrance to and exit from the ensuring that only authorised persons are allowed access to restricted areas.
- Ticket checking for Special Events; controlling entrance to the Site, ensuring that only authorised persons are granted access to the Site.
- Searching; conducting physical searches of people, bags and vehicles to ensure no restricted or prohibited items are allowed into the Site.
- Visitor management; ensuring that the Site is kept free from congestion by moving guests away from bottlenecks and places of potential hazard.
- Car parking; managing the placement of vehicles within designated car parking areas.
- Static guarding: providing a presence whenever required at a single position within the Site in order to establish a physical guarding requirement at any location where it exists.
- Asset protection; carrying out the physical protection of any assets contained within the site to ensure that they are not subjected to malice, mischief or theft.
- Patrolling duties; carrying out patrolling duties within and outside the Site perimeter to deter unauthorised entry and to detect signs of damage, fire, or unauthorised entry to the buildings, installations and the perimeter fences of the Site.
- Event services supervision; effective supervision of the event safety and security staff to

ensure that at all times it meets the contractual obligations and operational requirements set out in the Framework Agreement.

- Other security services as instructed from time to time.
