Scope

Description

NHSE are assessing options to replace the current Practice Level Delivery Support Framework. There were 5 suppliers awarded to the current framework (note Develop Consulting in the existing supplier box is 1 / 5). NHSE is assessing delivery models, including the establishment of a national framework for the delivery of general practice level support as outlined in the Primary Care Access Recovery Plan. One option is a framework hosted by NHS England for ICBs to call-off and contract directly. No financial commitments are needed from NHSE and call-off contract will be initiated by ICBs/Trusts.
