LSL/MED/0174

Description

In April 2015, the MOD signed a thirteen year contract with Leidos Europe Ltd to provide the procurement and inventory management of commodity items (as well as the storage and distribution services), that were historically provided in-house by the Logistic Commodities and Services Operating Centre.

Leidos, working with the MOD, will transform the way these services are delivered to ensure requirements continue to be met whilst providing best value for money for the department. The organisation delivering these services is known as Team Leidos..

Team Leidos wishes to inform the market that market enagaement has already been conducted following publication of PIN notice on 12th of June 2024. Foloowing market engagement Team Leidos have decided to proceed with open market competition.

Retrospective PMEN is to be published for transparency and fairness reasons.

Multiple market strategies have been considered, including; a Competitive Open Tender, The NHS Framework, The NSPA Framework, The Crown Commercial Service Framework and the LSL/MED/0050 Team Leidos MERP Framework.

The market engagement concluded that a Competitive Open tender would be the preferred strategy for this requirement to ensure the highest level of competition is achieved.
