Description

Please note, this is a Pipeline notice only for ESPO contracts that are forecast to be reprocured or new procurement projects that are expected to be undertaken. The details captured are therefore only provided as an estimate, and no further information other than as captured can be provided at this time.

For all current ESPO opportunities, please visit https://www.eastmidstenders.org/.

This Pipeline notice is being published to alert the supplier market that ESPO expects to establish a Framework for the supply and delivery of cleaning materials and janitorial supplies to its customers directly (not via ESPO's warehouse) on a national basis e.g., for public sector, multi-location customers who require a single supplier to offer a one-stop shop for all of their cleaning material needs. This is estimated to begin in February 2026.

This will seek to replace the current version of this framework, 777_22, upon its expiry,
