Housing and community amenities

Section II: Object

II.1) Scope of the procurement

II.1.1) Title

Technology Enabled Lives Framework - 23-27

II.1.2) Main CPV code

- 50421000 - Repair and maintenance services of medical equipment

II.1.3) Type of contract

Services

II.1.4) Short description

The scope of this Framework Agreement is for the provision of digital products and services in relation to Technology Enabled Living for digital solutions. Due to the expiry date of this framework being before the planned analogue system retirement in 2025, analogue equipment is only covered in the ongoing repair and maintenance of already installed equipment. The products and services shall fall into 4 separate Framework 'Lots' to reflect the structure of the industry, although supply partners are invited to apply for one or more Lot(s)/sublots if applicable:

Lot 1: Product Catalogue;

Lot 2: Installation;

Lot 3: Repairs and Maintenance

— Sub lot 3.1 Repairs and Maintenance - Digital

— Sub lot 3.1 Repairs and Maintenance - Analogue

— Sub lot 3.3 Repairs and Maintenance - Call Centre Monitoring Equipment

Lot 4: Call Monitoring and Mobile Response.

— Sub lot 4.1 Call Monitoring,

— Sub lot 4.2 Mobile Response,

— Sub lot 4.3 Call Monitoring and Mobile Response,

II.1.5) Estimated total value

Value excluding VAT: £300,000,000

II.1.6) Information about lots

This contract is divided into lots: Yes

Tenders may be submitted for all lots

The contracting authority reserves the right to award contracts combining the following lots or groups of lots:

Members may call of for one or a combination of lots/sublots.

II.2) Description

II.2.3) Place of performance

NUTS codes

- UK - United Kingdom

Main site or place of performance

UNITED KINGDOM

II.2.4) Description of the procurement

This lot covers the provision of a mobile response service for customers who don't have family members/keyholders as their emergency contact or require the service to relieve the burden on family members. The aim of the service is to maximise the independence of individuals to enable customers to remain in their own home through the provision of a 24/7/365 response service. The service will respond to alerts from a monitoring centre and provide a suitable human response.

There are two types of mobile response service;

- Routine visit – a regular visit is made to the service user to check on their welfare. Visits to be undertaken within 4 hours of notification.
- Emergency visit – an emergency visit made to the service user in response to an alert being received by the control centre. Visits to be undertaken within 1 hour of notification.

Member organisations may also require additional services which could include but not be limited to;

- Cover for scheme managers (sickness/holidays)
- Emergency cover

II.2.5) Award criteria

Price is not the only award criterion and all criteria are stated only in the procurement documents

VI.4) Procedures for review

VI.4.1) Review body

See VI.4.3

Sunderland

Country

United Kingdom

VI.4.2) Body responsible for mediation procedures

See VI.4.3

Sunderland

Country

United Kingdom

VI.4.3) Review procedure

Precise information on deadline(s) for review procedures

The consortium (Contracting Authority) will incorporate a minimum 10 calendar days standstill period following confirmation on the award of the framework to bidders. The Public Contracts Regulations 2015 (the Regulations) provide for aggrieved parties who have been harmed or are at risk of harm by a breach of the rules to take action in the High Court (England, Wales and Northern Ireland). As stated within the Regulations, any such action must be started within 30 days beginning with the date when the aggrieved party first knew or ought to have known that grounds for starting the proceedings had arisen.

The court may extend the time limit for starting proceedings where the court considers that there is a good reason for doing so but not so as to permit proceedings to be started more than 3 months after that date.

VI.4.4) Service from which information about the review procedure may be obtained

See VI.4.3
