Award Decision makers: NHS South West London Integrated Care Board - Contracting and Procurement Group. There were no conflicts of interest identified among the decision makers. There were no conflicts of interest identified amongst the decision makers.

The criteria used to award the contract were mapped to five key areas, each weighted according to requirements. This approach ensured that every critical aspect of the service was considered thoroughly. The criteria were:

1. Quality and Innovation (30%): Emphasising the importance of delivering high-quality care and the potential for new and significant improvements through proven innovations in care delivery.
2. Value (10%) Focusing on balancing costs with overall benefits and financial implications, ensuring the service was cost-effective without compromising quality.
3. Integration, Collaboration, and Services Sustainability (25%): Ensuring services were consistent with local and national NHS plans, provided in an integrated and collaborative manner, and aimed to improve health outcomes and service continuity.
4. Improving Access, Reducing Health Inequalities, and Facilitating Choice (25%): Highlighting the importance of making services accessible to all eligible patients, addressing health inequalities, and ensuring patient choice.
5. Social Value (10%): Considering the economic, social, and environmental well-being of the area, including moving towards net zero and delivering social value in procurement.

The existing provider demonstrated capability in meeting all five key criteria. All scored

and pass/fail criteria were met by the provider whom the relevant authority intends to award the contract. The provider has satisfied the requirements of the original contract. Furthermore, the proposed contracting arrangements are not undergoing significant changes.
