## **Supply, Delivery, Installation and Commissioning of an Automated Dosing Platform for CMAC**

University of Strathclyde

F02: Contract notice

Notice identifier: 2024/S 000-024281

Procurement identifier (OCID): ocds-h6vhtk-04524d

Published 2 August 2024, 12:07pm

### **Section I: Contracting authority**

#### **I.1) Name and addresses**

University of Strathclyde

McCance Building, 16 Richmond Street

Glasgow

G1 1XQ

#### **Email**

[jemma.wylie@strath.ac.uk](mailto:jemma.wylie@strath.ac.uk)

#### **Country**

United Kingdom

#### **NUTS code**

UKM82 - Glasgow City

#### **Internet address(es)**

Main address

<http://www.strath.ac.uk/>

Buyer's address

[https://www.publiccontractsscotland.gov.uk/search/Search\\_AuthProfile.aspx?ID=AA00113](https://www.publiccontractsscotland.gov.uk/search/Search_AuthProfile.aspx?ID=AA00113)

### **I.3) Communication**

The procurement documents are available for unrestricted and full direct access, free of charge, at

<https://www.publictenderscotland.publiccontractsscotland.gov.uk/esop/pts-host/public/pts/web/login.html>

Additional information can be obtained from the above-mentioned address

Tenders or requests to participate must be submitted electronically via

<https://www.publictenderscotland.publiccontractsscotland.gov.uk/esop/pts-host/public/pts/web/login.html>

### **I.4) Type of the contracting authority**

Body governed by public law

### **I.5) Main activity**

Education

---

## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Supply, Delivery, Installation and Commissioning of an Automated Dosing Platform for CMAC

Reference number

UOS-31797-2024

#### **II.1.2) Main CPV code**

- 38000000 - Laboratory, optical and precision equipments (excl. glasses)

#### **II.1.3) Type of contract**

Supplies

#### **II.1.4) Short description**

This Contract Notice relates to a tender opportunity to provide the Continuous Manufacturing and Advanced Crystallisation centre (CMAC) with an Automated Dosing Platform to operate in their existing world class research facility in the Technology and Innovation Centre at the University of Strathclyde. This Lotted Contract will be awarded in whole, in part or not at all.

A sole supplier will be appointed to the each of the awarded Lots.

The platform will integrate with third party workflow software to dose specific amounts of solids and/or liquids to vials of a given size. CMAC are looking for solid and liquid dosing capability from the offered system(s). Tenderers will be able to submit a bid for either as a single combined solid & liquid dosing system or as a separate solid dosing platform and/or liquid dosing platform.

#### **II.1.6) Information about lots**

This contract is divided into lots: Yes

Tenders may be submitted for all lots

### **II.2) Description**

## **II.2.1) Title**

Solid Dosing System

Lot No

1

## **II.2.2) Additional CPV code(s)**

- 38000000 - Laboratory, optical and precision equipments (excl. glasses)

## **II.2.3) Place of performance**

NUTS codes

- UKM82 - Glasgow City

## **II.2.4) Description of the procurement**

Lot 1- Solid Dosing system.

The automated solid dosing platform will be required to dose a wide range of pharmaceutical powdered solids into an array of different containers. The material and amount to be dosed will be determined by third party workflow software. The controlling software for the solid dosing platform software must be able to integrate with third party workflow software and a liquid dosing system, as well as an automated balance, capping station and robotic arm (if not supplied as part of the solid dosing station). The solid dosing platform must fit inside a standard fumehood alongside a liquid dosing platform and an automated robotic arm must be able to access the vials that have been dosed and transport them to a table outside the fumehood.

## **II.2.5) Award criteria**

Quality criterion - Name: Quality / Weighting: 60

Cost criterion - Name: Cost / Weighting: 40

## **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

18

This contract is subject to renewal

No

#### **II.2.10) Information about variants**

Variants will be accepted: No

#### **II.2.11) Information about options**

Options: Yes

Description of options

The Contracting Authority reserves the right to request additional deliveries by the Successful Tenderer, either intended as partial replacement of supplies or installations or as extensions of existing supplies and installations.

The Contracting Authority may at its sole discretion exercise this option.

#### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

#### **II.2.14) Additional information**

The contract duration is based on an estimated lead time of 6 months. This may be subject to change depending on Tenderer responses.

### **II.2) Description**

#### **II.2.1) Title**

Liquid Dosing System

Lot No

2

#### **II.2.2) Additional CPV code(s)**

- 38000000 - Laboratory, optical and precision equipments (excl. glasses)

#### **II.2.3) Place of performance**

NUTS codes

- UKM82 - Glasgow City

#### **II.2.4) Description of the procurement**

Lot 2- Liquid Dosing.

The automated liquid dosing platform will be required to dose a wide range of liquids into an array of different containers. The liquid and amount to be dosed will be determined by third party workflow software. The controlling software for the liquid dosing platform software must be able to integrate with third party workflow software and a solid dosing system, as well as an automated balance, capping station and robotic arm (if not supplied as part of the liquid dosing station). The liquid dosing platform must fit inside a standard fumehood alongside a solid dosing platform and an automated robotic arm must be able to access the vials that have been dosed and transport them to a table outside the fumehood.

#### **II.2.5) Award criteria**

Quality criterion - Name: Quality / Weighting: 60

Cost criterion - Name: Cost / Weighting: 40

#### **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

18

This contract is subject to renewal

No

#### **II.2.10) Information about variants**

Variants will be accepted: No

#### **II.2.11) Information about options**

Options: Yes

Description of options

The Contracting Authority reserves the right to request additional deliveries by the Successful Tenderer, either intended as partial replacement of supplies or installations or as extensions of existing supplies and installations.

The Contracting Authority may at its sole discretion exercise this option.

#### **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

#### **II.2.14) Additional information**

The contract duration is based on an estimated lead time of 6 months. This may be subject to change depending on Tenderer responses.

### **II.2) Description**

#### **II.2.1) Title**

Combined Solid and Liquid Dosing System

Lot No

3

#### **II.2.2) Additional CPV code(s)**

- 38000000 - Laboratory, optical and precision equipments (excl. glasses)

#### **II.2.3) Place of performance**

NUTS codes

- UKM82 - Glasgow City

#### **II.2.4) Description of the procurement**

Lot 3- Combined Solid and Liquid Dosing system

The automated combined solid and liquid dosing platform will be required to dose a wide range of pharmaceutical powdered solids and liquids into an array of different containers. The material/liquid and amount to be dosed will be determined by third party workflow software. The controlling software for the combined solid and liquid dosing platform software must be able to integrate with third party workflow software, as well as an automated balance, capping station and robotic arm (if not supplied as part of the combined solid and liquid dosing station). The combined solid and liquid dosing platform must fit inside a standard fumehood and an automated robotic arm must be able to access the vials that have been dosed and transport them to a table outside the fumehood.

## **II.2.5) Award criteria**

Quality criterion - Name: Quality / Weighting: 60

Cost criterion - Name: Cost / Weighting: 40

## **II.2.7) Duration of the contract, framework agreement or dynamic purchasing system**

Duration in months

18

This contract is subject to renewal

No

## **II.2.10) Information about variants**

Variants will be accepted: No

## **II.2.11) Information about options**

Options: Yes

Description of options

The Contracting Authority reserves the right to request additional deliveries by the Successful Tenderer, either intended as partial replacement of supplies or installations or as extensions of existing supplies and installations.

The Contracting Authority may at its sole discretion exercise this option.

## **II.2.13) Information about European Union Funds**

The procurement is related to a project and/or programme financed by European Union funds: No

## **II.2.14) Additional information**

The contract duration is based on an estimated lead time of 6 months. This may be subject to change depending on Tenderer responses.

---

## **Section III. Legal, economic, financial and technical information**

### **III.1) Conditions for participation**

#### **III.1.2) Economic and financial standing**

List and brief description of selection criteria

4B.1.2

4B.5.1-4B.5.3

Minimum level(s) of standards possibly required

4B.1.2 It is a requirement that bidders have a general yearly turnover in accordance with the Lot they are bidding for. If the bidder is bidding for Lot 1 only or Lot 2 only, the bidder must have a minimum of a minimum of 400,000.00 GBP for the last 3 years.

If the bidder is bidding for Lot 1 & 2 or Lot 3, the bidder must have a minimum of 800,000.00 GBP

4B.5.1 a-b. It is a requirement of this contract that bidders hold, or can commit to obtain prior to the commencement of any subsequently

awarded contract, the types and levels of insurance indicated below:

Employer's (Compulsory) Liability Insurance = 10,000,000.00 GBP

Public Liability Insurance = 5,000,000.00 GBP

Product Liability Insurance = 5,000,000.00 GBP

In respect of any one incident and unlimited as to numbers of claims

#### **III.1.3) Technical and professional ability**

List and brief description of selection criteria

4C.1.2

Minimum level(s) of standards possibly required

Bidders will be required to provide three (3) examples per Lot that they are bidding for that demonstrate that they have the relevant experience to deliver the services as described in part II.2.4 of the Find a Tender Service Contract Notice or relevant section of the Site

Notice.

Examples that apply to multiple Lots may be submitted for both Lots, for instance Lot 3- Combined Solid/Liquid Platform examples may also be submitted for Lot 1- Solid Dosing Instrument examples and Lot 2- Liquid Dosing Instrument examples.

---

## Section IV. Procedure

### IV.1) Description

#### IV.1.1) Type of procedure

Open procedure

#### IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: Yes

### IV.2) Administrative information

#### IV.2.1) Previous publication concerning this procedure

Notice number: [2024/S 000-012197](#)

#### IV.2.2) Time limit for receipt of tenders or requests to participate

Date

9 September 2024

Local time

12:00pm

#### IV.2.4) Languages in which tenders or requests to participate may be submitted

English

#### IV.2.6) Minimum time frame during which the tenderer must maintain the tender

Tender must be valid until: 7 January 2025

#### IV.2.7) Conditions for opening of tenders

Date

9 September 2024

Local time

12:00pm

---

## **Section VI. Complementary information**

### **VI.1) Information about recurrence**

This is a recurrent procurement: No

### **VI.3) Additional information**

It is the intention to award either Solid and Liquid Dosing Instrument or a Combined /Liquid Dosing Platform. The Contracting Authority reserves the right to award this contract at its sole discretion to a single supplier on a single lot or multiple lots each with a single supplier. A single lot will not be awarded to multiple suppliers.

The Contracting Authority reserves the right to award this contract in whole, in part or not at all.

The Contracting Authority reserves the right to award this contract in whole to all Lots, in part to multiple Lots, to a single Lot or not at all.

The buyer is using PCS-Tender to conduct this ITT exercise. The Project code is 26998. For more information see:

<http://www.publiccontractsscotland.gov.uk/info/InfoCentre.aspx?ID=2343>

Community benefits are included in this requirement. For more information see:

<https://www.gov.scot/policies/public-sector-procurement/community-benefits-in-procurement/>

A summary of the expected community benefits has been provided as follows:

Community Benefits will be part of this tender on a voluntary basis. Further detail can be found in the ITT document.

(SC Ref:770285)

### **VI.4) Procedures for review**

#### **VI.4.1) Review body**

Glasgow Sheriff Court and Justice of the Peace Court

Glasgow
