Services

II.1.4) Short description

The Guinness Partnership (“Guinness”) is conducting preliminary market research to inform a tender process which will commence in autumn 2021 or early 2022. The tender will be to identify providers for servicing & maintenance of the following asset types across our national housing portfolio:

- Automated gates, shutters, barriers & doors
- CCTV
- Door entry systems & intercom maintenance
- Warden call systems
- TV aerials

As a precursor to this process we are issuing this PIN (Prior Information Notice) to make suppliers aware and a market sounding questionnaire to identify most appropriate way to package the contract.

For further information about the opportunity, please refer to the market sounding information published on Guinness' procurement portal at <https://procontract.due->

north.com/. Free & unfettered access provided once registered on the site.

II.1.5) Estimated total value

Value excluding VAT: £6,500,000
