- UKE42 - Leeds

II.2.4) Description of the procurement

This service will provide a specialist community stop smoking service for people with Severe and Enduring Mental Illness (SMI) or a Common Mental Health Illness (CMHI) that complements their existing in-patient service.

This would include following up with patients on discharge who have begun their programme in hospital. In addition, The provider would host a new co-ordinator role to work across the Leeds Integrated Tobacco Dependence Treatment Service collaborative to manage shared functions across the collaborative including data sharing, collection and submission, communications, stakeholder engagement, monitoring, linking with contract managers to support service improvement, supporting the development of pathways and training, and help with the mobilisation of the new activity being funded by this grant. This includes the purchase of a licence for Quit Manager, a case management system that can be used by all the services to make data collection and reporting easier.

II.3) Estimated date of publication of contract notice

17 August 2024

Section IV. Procedure

IV.1) Description

IV.1.8) Information about the Government Procurement Agreement (GPA)

The procurement is covered by the Government Procurement Agreement: No

Section VI. Complementary information

VI.3) Additional information

This is a Provider Selection Regime (PSR) intended approach notice. The awarding of this contract is subject to the Health Care Services (Provider Selection Regime) Regulations 2023. For the avoidance of doubt, the provisions of the Public Contracts Regulations 2015 do not apply to this award.

The decision maker (Director of Public Health) is in support of this intent to award and believes that services will continue to provide specialist community stop smoking service for people with Severe and Enduring Mental Illness (SMI) or a Common Mental Health Illness (CMHI) that complements their existing in-patient service.

No conflicts of interest were identified as part of this process.

It is our intention is to award this contract using the most suitable provider process.
