## **Section II: Object**

### **II.1) Scope of the procurement**

#### **II.1.1) Title**

Biological sample logistics and fulfilment services

#### **II.1.2) Main CPV code**

- 64120000 - Courier services

#### **II.1.3) Type of contract**

Services

#### **II.1.4) Short description**

OFH are seeking to engage the market and gain feedback on viable solutions for the most effective approach (commercial & clinical solution) to collection and transportation blood samples from a wide variety of clinical and non-clinical settings to 4 UK processing sites (England, Scotland, Wales & N. Ireland)

Consideration is also being given to a wider service to include fulfilment services which include the provision of booking system, kit assembly, packaging and associated consumables as well as onwards postage to the processing sites.

OFH are seeking to review both ambient logistics channels as well as cold chain to include temperature tracking options in order to maintain sample integrity.

#### **II.1.6) Information about lots**

This contract is divided into lots: No

### **II.2) Description**

- 60000000 - Transport services (excl. Waste transport)

#### **II.2.3) Place of performance**

NUTS codes

- UK - United Kingdom

Main site or place of performance

UNITED KINGDOM

## **II.2.4) Description of the procurement**

The aim of Our Future Health is to recruit up to 5 million adults from across the UK to take part in the largest research study of its kind. Participants will be asked to provide information about their health and lifestyles and small sample of their blood. Combining these multiple sources of health information, including genetic data, will create an incredibly detailed picture that represents the whole of the UK. OFH is separately contracting for services to process samples from each of participants with the aim to commence from Jan 22. It is expected that this will include award to 4 processing sites in the UK. OFH are now seeking to engage providers of logistics services and fulfilment that can manage biological samples in order to define key requirements to consider: Chain of custody, Packaging requirements, Collection and Drop off points, consolidation options, Reporting / Tracking solutions, Temperature monitoring, fulfilment options.

### **II.2.14) Additional information**

Providers in this market are invited to express interest in this procurement activity by email to [ofhtransport@akesoco.com](mailto:ofhtransport@akesoco.com) by Friday 15th October. On receipt of expression of interest providers will be asked to respond to a short questionnaire in advance of being invited to a briefing sessions to describe the requirement and expectation of the service of the market in more detail.

## **II.3) Estimated date of publication of contract notice**

30 November 2021

---

## **Section IV. Procedure**
