Question scoring methodology for award criteria outlined in Invitation to Tender:

0 = Unacceptable. Nil or inadequate response. Fails to demonstrate an ability to meet the requirement

1 = Poor. Response is partially relevant but generally poor. The response addresses some elements of the requirement but contains

insufficient/limited detail or explanation to demonstrate how the requirement will be fulfilled.

2 = Acceptable. Response is relevant and acceptable. The response addresses a broad understanding of the requirement but may lack details

on how the requirement will be fulfilled in certain areas.

3 = Good. Response is relevant and good. The response is sufficiently detailed to demonstrate a good understanding and provides details on

how the requirements will be fulfilled.

4 = Excellent. Response is completely relevant and excellent overall. The response is comprehensive, unambiguous and demonstrates a

thorough understanding of the requirement and provides details of how the requirement will be met in full.

Bidders must complete the SPD (Scotland) to demonstrate adherence to the exclusion and selection criteria for this procurement. If there

are named subcontractors/technicians upon which the bidder will rely to meet the selection criteria, these named parties must complete and

reattach the SPD Supplier Response Form attached to SPD questions 2C.1.1 (Reliance on the capacity of others) and 2D.1.2

(Subcontractors) on PCS-T.

These parties must complete the first 3 sections of the SPD form, as well as any part of the Section 4 selection criteria that the main bidder

will rely upon the parties to fulfil. If parties have not yet been identified, this information may be required at a later date. Scottish

Government reserves the right to request this information from relevant parties upon whom the main bidder will not rely to fulfil selection

criteria.

4C.10 Bidders will be required to confirm whether they intend to sub-contract and if so, for what proportion of the contract.
